true sentiments of live for the out un-tracted and controcted country see can-dulate we have a messed you \$1.00."

Nays I, grasping him by the hand, and shaking it warmly, "I'm delighted it hear it, for I sin't been able to get rid o my money fast caough, owing to the abundance I have on head. I'll give you when't at one," And I gave him a check on Jacob Bur-

Then I went to the next fellsh, wh

liss hair curied netural—nine cost me 6 bits to engh I to had only voted in the country once, wherethere wave no numelopal officers to be coted for, an, of courres, he had a vight to vais occe again—for them. He forget he had voted for the Constitution once before, but that was of no consequence—he was loyal.

After the election was over, and while the counting was going on, I treated all the commissioners, treated my friends, who said I was alected, and treated my-self. When the counting was over I found I was over, too.

I appealed to "headquaviers," but "headquarturs" told ms I was not only beat, last a dand beat.

I resolved myself into a committee of one, and reported that ihs whole thing was a fraud. I was defeated and it was a fraud. I had been elected, it would have received my nanction as a fair election; we I wasn't liceted, it would have received my nanction as a fair election; we I wasn't liceted, it would have received my nanction as a fair election; we I wasn't liceted, it would have received my nanction as a fair election; we I wasn't liceted, I would have received my nanction as a fair election; we I wasn't liceted, it would have received my nanction as a fair election; see I wasn't liceted of the tree of the wasn't liceted. I am devantined to rip the whole thing up, Congress is on my clude, so is the imposentment committee. I have therefore adopted Jacksun's mootte. "The Republicen party! it irract and abuil be preserved; if it ain't we're peckled."

PROPOSING BY LETTER.

"The Whole Thing a Fraed."

From the N w Orleans Creecest

I styl I write, New Orleans, April 27.

I told them not to nominate me; that I had no thirst far office; that I was not legible; but they said that I was "the coming was," and must serve. I protested with teers in my eyes (which stayed in) that I would be considerated in that I would be consideration and saurifice myself, my time, my influence, my orty nroney, upon the sitar attent of my country! Oh this hint I spake. "Make no gaudy chuplet," I cast, "but know me as I am, the Duka et al. "The said, "but know me as I am, the Duka et the Reprintent candidate without a dissecting voice. I fell no lutered in the matter a scept the love I bore my count
